Aspiring PhD applicant with five years of experience in teaching English for Second Language Learner (ESL) to undergraduates. Investigating how Technology can bridge inequalities in Education

EDUCATION

Master of Education

English Education: Theory and Methodology

Hanoi National University of Education, Hanoi, Vietnam 2021 — 2023

Bachelor in Law

School of Law, Vietnam National University (VNU), Hanoi, Vietnam 2017 — 2020

Bachelor in English Language Teacher Education

University of Languages and International Studies, VNU, Hanoi, Vietnam 2016 — 2020

PROFESSIONAL EXPERIENCE

Lecturer at Foreign Trade University, Hanoi, Vietnam

Nov 2023 — Now

FTU is a nationally recognized leader in Economics and International Business education. I am part of the Faculty of English for Specific Purposes, under the leadership of Dr. Hoa Hoang, which delivers foundational English courses designed for academic and business contexts.

- Designed comprehensive lesson plans and instructional materials for four foundational undergraduate English modules for students with no prior English experience, enabling their progression to advanced major-specific courses.
- Provided on-site instruction through 3-week intensive modules each semester at FTU's satellite campus in Quang Ninh province, supporting students impacted by Yagi Storm.
- Facilitated University-wide Innovation Project: “FTU’s Multilingual Learning and Creative Community”

Lecturer at Vietnam’s Women Academy, Hanoi, Vietnam

Jan 2023 — Now

VWA is a public institution dedicated to Women's Studies, Gender Equality, and Social Development. I worked at the Center of Training and Capacity Building for Women as a contracted lecturer, offering academic support and supplementary language courses to under-achieved students.

Lecturer at Hanoi University of Science and Technology, Hanoi, Vietnam

Sep 2022 — Jan 2023

HUST is a nationally leading engineering institution. I worked at the Centre for Foreign Language Assessment and Academic Exchange, where I trained and prepared undergraduate students for standardized English examinations.

RESEARCH OUTPUTS

University Seminars, Conferences and Workshops

1. Phuong-Anh Do, Nam Phuong Nguyen. 2025. “Maintaining pedagogical integrity in technology-supported English language learning.” The 2025 FTU Symposium on Utilizing Industry 4.0 Technology to Guarantee English Teaching Quality Based on Output Standards. [\[PDF\]](#)
2. Phuong-Anh Do, Khanh Vu. 2025. “From Learning Outcomes to English Language Teaching Practices in the 4.0 Era: An Overview of Technological Solutions” The 2025 FTU Symposium on Utilizing Industry 4.0 Technology to Guarantee English Teaching Quality Based on Output Standards. [\[PDF\]](#)
3. Phuong-Anh Do. 2025. “Integrating AI In English Dialogic Learning: A Brief Review And Discussion.” The 2025 FTU Symposium on Utilizing Industry 4.0 Technology to Guarantee English Teaching Quality Based on Output Standards. [\[PDF\]](#) [\[Talk\]](#)
4. Phuong-Anh Do. 2025. “English Language Teachers’ Perceptions of AI-facilitated Dialogic Learning in Teaching Practices.” The 2025 FTU Symposium on Utilizing Industry 4.0 Technology to Guarantee English Teaching Quality Based on Output Standards. [\[PDF\]](#)
5. Phuong-Anh Do. 2024. “Open Challenges Of English Language Studies And Teaching In The Era Of Large Language Models: A Brief Review And Discussion.” The 2024 FTU Symposium on Using AI in Foreign Language Teaching at Higher Education Institutions [\[PDF\]](#)
